Re: Value-Added Communications, Inc. - Notification of New DBA Name

Dear Ms. Retz:

Value-Added Communications, Inc. (the “Company”) respectfully submits this letter to notify the Kansas Corporation Commission (the “Commission”) that the Company will operate under the new fictitious or doing business as (“DBA”) name “ViaPath Technologies” in Kansas. Please note, the legal name of the Company has not changed.

Please update all Commission records to reflect the Company’s new DBA name. The Company holds a Certificate of Convenience and Authority to Transact the Business of an Operator/Interexchange Services Provider, which was granted in Docket No. 99-VACC-442-COC on July 8, 1999.

The Company offers inmate calling services to correctional facilities in Kansas, which allow incarcerated individuals to initiate telephone calls to their friends and family outside of the correctional facility. The DBA is reflected on the Company’s websites and interactive voice response (“IVR”) system. Only a handful of the Company’s customers receive regular monthly invoices (such as bail bondsmen, attorneys, etc.), and the DBA also is reflected on those invoices.

If you have any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

/s/ Angela F. Collins
